Re: Carnival Fun Night Fundraiser held February 5th, 2015

We would like to thank all our sponsors and volunteers who made this fundraiser a huge success. Many student leaders, staff and parents volunteered their time. It was our hope to create a fun and exciting community event to raise money. There were 16 game stations, along with a bouncy castle, two Mike's Critters shows, face painting, pie throwing, raffle draw and a concession stand. The Cougar Creek PAC will use some of the proceeds for student field trips and technology and the Afretech Aid Society will use some of the proceeds to spend on building a Torit Community Library in South Sudan. It was your generous contributions that helped make our vision a reality.

Thank you for providing one show at a discounted price and a second free show.

With your help, we raised over \$2700.00. We could not have done this without your generosity and community spirit. Your contribution is truly appreciated. Thank you!

Sincerely,

Parm Middar

Principal
